This is a follow up to the E-team meeting on Tuesday where Alda presented the reorganization of certain staff into the Privacy and Data Access Office, which will report to Alda and Donna Levin, as well as reorganized Peer Review, which will report to Alda and be more closely coordinated with the Commissioner's Office review. The Peer Review Process will have additional discussions to ensure a comprehensive process that works for all parts of the Department.

Tracy Miller, the former Privacy Officer, who recently returned to the Office of the General Counsel, will direct the office. She will supervise the Data Access Coordinator (DAC), Alice Mroszczyk, and the Privacy Officer, Eric Rubinstein. Bill Anderson will be working with the office in an administrative capacity.

Attached is a memorandum explaining the office and the rationale for its organization. Attached also are two flow charts, one showing the org chart and reporting structure, and a second showing the report review tracking flow. Please share these documents with your staff and let us know if you have any questions.
